Your Excellency,

I am writing to you as supporter of Amnesty International, the non governmental organization which since 1961 has been working in defense of human rights, wherever they are violated.

I urge you not to forcibly deport Eritrean nationals to Eritrea.

I urge you to ensure that detainees are protected from torture and other ill-treatment and to investigate allegations of torture and ill-treatment of several Eritrean detainees and to bring those found responsible to justice.

I urge you to immediately provide medical treatment as required for detainees who were injured.

I urge you to provide adequate water and food and sanitary conditions as required by international standards.

Thank you for your attention.
